Morgan Securities Inc.;

(2) authorization for the Debtors to execute and enter into the DIP Documents and to perform such other and further acts as may be required in connection with the DIP Documents;

(3) the granting of adequate protection to the “Secured Parties” (as defined in the Pre-Petition Credit Agreement), including, without limitation, the lenders (in their capacities as such, the “**Pre-Petition Secured Lenders**”, and together with the other “Secured Parties”, in their capacities as such, the “**Pre-Petition Secured Parties**”) under or in connection with that certain Credit Agreement, dated as of November 30, 1999, as amended and restated as of December 15, 2003, (as heretofore amended, supplemented or otherwise modified, the “**Pre-Petition Credit Agreement**”), among the Borrower, the lenders party thereto and JPMC, as administrative agent for the Pre-Petition Secured Lenders (in its capacity as such, the “**Pre-Petition Agent**”), and that certain Security Agreement, dated as of November 30, 1999, as reaffirmed and amended as of December 15, 2003, between Borrower and JPMC as Administrative Agent (as heretofore amended, supplemented or otherwise modified, the

“**Security Agreement**” and, collectively with the Pre-Petition Credit Agreement, and the mortgages and all other documentation executed in connection therewith (including any Hedging Agreement as defined in the Pre-Petition Credit Agreement), the “**Existing Agreements**”), whose liens and security interests are being primed by the Financing;

(4) authorization for the Debtors to use cash collateral (as such term is defined in the Bankruptcy Code) in which the Pre-Petition Secured Parties have an interest, and the granting of adequate protection to the Pre-Petition Secured Parties with respect to, inter alia, such use of their cash collateral and all use and diminution in the value of the Pre-Petition Collateral (as defined below);

(5) the granting of superpriority claims to the DIP Lenders payable from, and having recourse to, all pre-petition and post-petition property of the Debtors’ estates (including any Avoidance Actions (as defined below)) and all proceeds thereof, subject to the Carve Out (as defined below);

(6) pursuant to Bankruptcy Rule 4001, that an interim hearing (the “**Interim Hearing**”) on the Motion be held before this Court to consider entry of the proposed interim order annexed to the Motion (the “**Interim Order**”) (a) authorizing the Borrower, on an interim basis, to forthwith borrow revolving loans or obtain letters of credit from the DIP Lenders under the DIP Documents up to an aggregate principal or face

amount not to exceed \$25,000,000 (subject to any limitations of borrowings under the DIP Documents), (b) authorizing the Debtors' use of cash collateral, and (c) granting the adequate protection described herein; and

(7) that this Court schedule a final hearing (the "**Final Hearing**") to be held within 30 days of the entry of the Interim Order to consider entry of a final order authorizing the balance of the borrowings and letter of credit issuances under the DIP Documents on a final basis, as set forth in the Motion and the DIP Documents filed with this Court.

Due and appropriate notice of the Motion, the relief requested therein and the Interim Hearing having been served by the Debtors on the Debtors' twenty largest unsecured creditors (on a consolidated basis), on the Agent, the DIP Lenders, the Pre-Petition Agent, the Pre-Petition Secured Lenders and on the Office of the Bankruptcy Administrator for the United States Bankruptcy Court for the Northern District of Alabama, Southern Division.

The Interim Hearing having been held by this Court on September \_\_, 2004.

Upon the record made by the Debtors at the Interim Hearing and after due deliberation and consideration and sufficient cause appearing therefor;

IT IS FOUND, DETERMINED, ORDERED AND ADJUDGED, that:

1. *Jurisdiction.* This Court has core jurisdiction over the Cases, the Motion, and the parties and property affected hereby pursuant to 28 U.S.C. §§ 157(b) and 1334. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

2. *Notice.* Under the circumstances, the notice given by the Debtors of the Motion and the Interim Hearing constitutes due and sufficient notice thereof and complies with Bankruptcy Rules 4001(b) and (c).

3. *Debtors' Stipulations.* Without prejudice to the rights of any other party (but subject to the limitations thereon contained in paragraph 18 below), the Debtors admit, stipulate and agree that:

(a) (i) as of the filing of the Debtors' chapter 11 petitions (the "**Petition Date**"), the Borrower was indebted and liable to the Pre-Petition Secured Lenders, without defense, counterclaim or offset of any kind, in the aggregate principal amount of approximately \$310,000,000 in respect of loans made (including capitalized interest) and in the aggregate principal amount of approximately \$14,000,000 in respect of letters of credit issued (the "**Pre-Petition Letters of Credit**"), in each case, by the Pre-Petition Secured Lenders or Issuing Bank thereunder pursuant to, and in accordance with the terms of, the Existing Agreements, plus, in each case, interest thereon and fees (including any attorneys', accountants', appraisers' and financial advisors' fees and expenses), charges and other obligations incurred in connection therewith as provided in the Existing Agreements (collectively, the "**Pre-Petition Debt**"), (ii) the Pre-Petition Debt constitutes the legal, valid and binding obligation of the Debtors, enforceable in accordance with its terms (subject to the stay of enforcement arising from section 362 of the Bankruptcy Code), (iii) no portion of the Pre-Petition Debt is subject to avoidance, recharacterization, recovery or subordination pursuant to the Bankruptcy Code or applicable nonbankruptcy law and (iv) the Debtors do not have any claims,

counterclaims, causes of action, defenses or setoff rights, whether arising under the Bankruptcy Code or otherwise, against the Pre-Petition Secured Parties, the Pre-Petition Agent and their respective affiliates, agents, officers, directors, employees and attorneys; and

(b) the liens and security interests granted to the Pre-Petition Agent pursuant to and in connection with the Existing Agreements (including, without limitation, all security agreements, pledge agreements, mortgages, deeds of trust and other security documents executed by any of the Debtors in favor of the Pre-Petition Agent, for its benefit and for the benefit of the Pre-Petition Secured Parties) in connection with the Existing Agreements, are (i) valid, binding, perfected, enforceable, first-priority liens and security interests in the personal and real property described in the Existing Agreements (the “**Pre-Petition Collateral**”), (ii) not subject to avoidance, recharacterization or subordination pursuant to the Bankruptcy Code or applicable nonbankruptcy law and (iii) subject and subordinate only to (A) the DIP Liens (as defined below), (B) the Senior Permitted Liens (as defined in the DIP Credit Agreement), (C) the Carve Out (as defined below) to which the DIP Liens are subject and (D) valid, perfected and unavoidable liens permitted under the Existing Agreements to the extent such permitted liens are senior to or pari passu with the liens of the Pre-Petition Agent on the Pre-Petition Collateral.

4. *Findings Regarding the Financing.*

(a) Good cause has been shown for the entry of this Interim Order.

(b) The Debtors have an immediate need to obtain the Financing and use Cash Collateral (as defined below) in order to permit, among other things, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers and customers, to make payroll, to make capital expenditures and to satisfy other working capital and operational needs. The access of the Debtors to sufficient working capital and liquidity through the use of Cash Collateral, incurrence of new indebtedness for borrowed money and other financial accommodations is vital to the preservation and maintenance of the going concern values of the Debtors and to a successful reorganization of the Debtors.

(c) The Debtors are unable to obtain financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without the Debtors granting to the Agent (for its benefit and for the benefit of the Secured Parties as defined in the DIP Credit Agreement (defined below), the “**DIP Secured Parties**”), subject to the Carve Out as provided for herein, the DIP Liens and the Superpriority Claims (as defined below) under the terms and conditions set forth in this Order and in the DIP Documents.

(d) The terms of the Financing and the use of Cash Collateral are fair and reasonable, reflect the Debtors’ exercise of prudent business judgment consistent

with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(e) The Financing has been negotiated in good faith and at arm's length among the Debtors, the Agent and the DIP Lenders, and all of the Debtors' obligations and indebtedness arising under, in respect of or in connection with the Financing and the DIP Documents, including without limitation, (i) all loans made to, and all letters of credit issued for the account of, the Debtors pursuant to the Revolving Credit Agreement substantially in the form attached as Exhibit A to the Motion (the "**DIP Credit Agreement**"), and (ii) any "Obligations" (as defined in the DIP Credit Agreement), including credit extended in respect of overdrafts and related liabilities and other depository, treasury, and cash management services and other clearing services provided by JPMC or its affiliates (all of the foregoing in clauses (i) and (ii) collectively, the "**DIP Obligations**"), shall be deemed to have been extended by the Agent, the Issuing Bank, the DIP Lenders and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

(f) The Debtors have requested entry of this Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2). Absent granting the relief sought by this Order, the Debtors' estates will be immediately and irreparably harmed. Consummation

of the Financing and the use of Cash Collateral in accordance with this Order and the DIP Documents is therefore in the best interest of the Debtors' estates.

5. *Authorization of the Financing and the DIP Documents.*

(a) The Debtors are hereby authorized to enter into the DIP Documents. The Borrower is hereby authorized to borrow money and obtain letters of credit pursuant to the DIP Credit Agreement, and the Guarantors are hereby authorized to guaranty such borrowings and the Borrower's obligations with respect to such letters of credit, up to an aggregate principal or face amount of \$25,000,000 (plus interest, fees and other expenses and amounts provided for in the DIP Documents), in accordance with the terms of this Order and the DIP Documents, which shall be used for all purposes permitted under the DIP Documents, including, without limitation, to provide working capital for the Borrower and the Guarantors and to pay interest, fees and expenses in accordance with this Order and the DIP Documents. In addition to such loans and obligations, the Debtors are authorized to incur overdrafts and related liabilities arising from treasury, depository and cash management services including any automated clearing house fund transfers provided to or for the benefit of the Debtors by JPMC or any of its affiliates; *provided, however*, that nothing herein shall require JPMC or any other party to incur overdrafts or to provide any such services or functions to the Debtors.

(b) In furtherance of the foregoing and without further approval of this Court, each Debtor is authorized and directed to perform all acts, to make, execute and deliver all instruments and documents (including, without limitation, the execution or recordation of security agreements, mortgages and financing statements), and to pay all

fees, that may be reasonably required or necessary for the Debtors' performance of its obligations under the Financing, including, without limitation:

(i) the execution, delivery and performance of the Loan Documents (as defined in the DIP Credit Agreement) and any exhibits attached thereto, including, without limitation, the DIP Credit Agreement, the Guarantee Agreements, the Security Documents (each as defined in the DIP Credit Agreement) and any mortgages contemplated thereby (collectively, and together with the letter agreements referred to in clause (iii) below, the "**DIP Documents**"),

(ii) the execution, delivery and performance of one or more amendments to the DIP Credit Agreement for, among other things, the purpose of adding additional financial institutions as DIP Lenders and reallocating the commitments for the Financing among the DIP Lenders, in each case in such form as the Debtors, the Agent and the DIP Lenders may agree (it being understood that no further approval of the Court shall be required for amendments to the DIP Credit Agreement that do not shorten the maturity of the extensions of credit thereunder or increase the commitments, the rate of interest or the letter of credit fees payable thereunder),

(iii) the non refundable payment to the Agent or the DIP Lenders, as the case may be, of the fees referred to in the DIP Credit Agreement (and in any separate letter agreements between them in connection with the Financing) and reasonable costs and expenses as may be due from time to time, including, without limitation, fees and expenses of the professionals retained as provided for in the DIP Documents, and

(iv) the performance of all other acts required under or in connection with the DIP Documents.

(c) Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute valid and binding obligations of the Debtors, enforceable against each Debtor party thereto in accordance with the terms of the DIP Documents. No obligation, payment, transfer or grant of security under the DIP Documents or this Order shall be stayed, restrained, voidable, or recoverable under the Bankruptcy Code or under any applicable law (including without limitation, under section 502(d) of the Bankruptcy Code), or subject to any defense, reduction, setoff, recoupment or counterclaim.

6. *Superpriority Claims.*

(a) Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall (i) constitute allowed claims against the Debtors with priority over any and all administrative expenses, diminution claims (including all Adequate Protection Obligations (as defined below)) and all other claims against the Debtors, now existing or hereafter arising, of any kind whatsoever (“**Superpriority Claims**”), including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code, and over any and all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 726, 1113 or 1114 of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment and (ii) be payable from and have recourse to all pre- and post-petition

property of the Debtors and all proceeds thereof, subject only to the payment of the Carve Out to the extent specifically provided for herein.

(b) For purposes hereof, the “**Carve Out**” means (i) all fees required to be paid to the Clerk of the Bankruptcy Court and to the Office of the Bankruptcy Administrator under section 1930(a) of title 28 of the United States Code and (ii) after the occurrence and during the continuance of an Event of Default (as defined in the DIP Credit Agreement) an amount not exceeding \$1,500,000 in the aggregate, which amount may be used subject to the terms of this Order, including, without limitation, paragraph 18 hereof, to pay any fees or expenses incurred by the Debtors and any statutory committees appointed in the Cases (each, a “**Committee**”) in respect of (A) allowances of compensation for services rendered or reimbursement of expenses awarded by the Bankruptcy Court to the Debtors’ or any Committee’s professionals and (B) the reimbursement of expenses allowed by the Bankruptcy Court incurred by Committee members in the performance of their duties (but excluding fees and expenses of third party professionals employed by such members) ((A) and (B) collectively, the “**Reimbursed Expenses**”); *provided, however*, (x) that the dollar limitation in this clause 6(b)(ii) on fees and disbursements shall neither be reduced nor increased by the amount of any compensation or reimbursement of expenses incurred, awarded or paid prior to the occurrence of an Event of Default in respect of which the Carve Out is invoked or by any fees, expenses, indemnities or other amounts paid to any Agent, the Issuing Bank or any Lender or their respective attorneys and agents under the DIP Credit Agreement or otherwise, (y) that nothing herein shall be construed to impair the ability of

any party to object to the allowance of any of the fees, expenses, reimbursement or compensation described in clauses (A) and (B) above, and (z) that cash or other amounts on deposit in the Letter of Credit Collateral Account (as defined in the DIP Credit Agreement), shall not be subject to the Carve Out. If any of the Reimbursed Expenses are paid out of the Carve Out, the claim of each reimbursed party against the Debtors shall survive and be deemed assigned to the Agent and the Pre-Petition Agent. The distributions payable from the estate in respect of such claims, as administrative expenses, shall be deemed to be Collateral and shall be paid to the DIP Secured Parties and the Pre-Petition Secured Parties in accordance with this Order.

7. *DIP Liens.*

As security for the DIP Obligations, effective and perfected upon the date of this Order and without the necessity of the execution, delivery or recordation of filings by the Debtors of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the Agent of, or over, any Collateral (as defined below), the following security interests and liens are hereby granted to the Agent for its own benefit and the benefit of the DIP Secured Parties (all property identified in clauses (a), (b) and (c) below being collectively referred to as the “**Collateral**”), subject to (x) the Senior Permitted Liens and (y) only in the event of the occurrence and during the continuance of an Event of Default, the payment of the Carve Out (all such liens and security interests granted to the Agent, for its benefit and for the benefit of the DIP Secured Parties, pursuant to this Order and the DIP Documents, the “**DIP Liens**”):

(a) First Lien on Cash Balances and Unencumbered Property.

Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority senior security interest in and lien upon all pre- and post-petition property of the Debtors, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date is not subject to valid, perfected and non-avoidable liens (collectively, “**Unencumbered Property**”), including without limitation, all cash and cash collateral of the Debtors (whether maintained with the Agent or otherwise) and any investment of such cash and cash collateral, inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, equipment, general intangibles, documents, instruments, interests in leaseholds, real properties, patents, copyrights, trademarks, trade names, other intellectual property, capital stock of subsidiaries, and the proceeds of all the foregoing. Unencumbered Property shall include the Debtors’ claims and causes of action under sections 502(d), 544, 545, 547, 548, 549 and 550 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code (collectively, “**Avoidance Actions**”) and any proceeds thereof, provided, however, the right of the Official Committee of Unsecured Creditors to object to including Avoidance Actions in Unencumbered Property shall be preserved until the conclusion of the Final Hearing.

(b) Liens Priming Pre-Petition Secured Lenders’ Liens.

Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority senior priming security interest in and lien upon all pre- and post-petition property of the Debtors (including, without limitation, cash collateral,

inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, equipment, general intangibles, documents, instruments, interests in leaseholds, real properties, patents, copyrights, trademarks, trade names, other intellectual property, capital stock of subsidiaries, and the proceeds of all the foregoing), whether now existing or hereafter acquired, that is subject to the existing liens presently securing the Pre-Petition Debt (including in respect of issued but undrawn letters of credit). Such security interests and liens shall be senior in all respects to the interests in such property of the Pre-Petition Secured Parties arising from current and future liens of the Pre-Petition Secured Parties (including, without limitation, adequate protection liens granted hereunder), but shall not be senior to any valid, perfected and unavoidable interests of other parties arising out of liens, if any, on such property existing immediately prior to the Petition Date, or to any valid, perfected and unavoidable interests in such property arising out of liens to which the liens of the Pre-Petition Secured Parties become subject subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code.

(c) Liens Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected security interest in and lien upon all pre- and post-petition property of the Debtors (other than the property described in clauses (a) or (b) of this paragraph 7, as to which the liens and security interests in favor of the Agent will be as described in such clauses), whether now existing or hereafter acquired, that is subject to valid, perfected and unavoidable liens in existence immediately prior to the Petition Date or to valid and unavoidable liens

in existence immediately prior to the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, which security interests and liens in favor of the Agent are junior to such valid, perfected and unavoidable liens.

(d) Liens Senior to Certain Other Liens. The DIP Liens and the Adequate Protection Liens (as defined below) shall not be subject or subordinate to (i) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or (ii) any liens arising after the Petition Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other governmental unit, commission, board or court for any liability of the Debtors.

8. *Protection of DIP Lenders' Rights.*

(a) So long as there are any borrowings or letters of credit or other amounts (other than contingent indemnity obligations as to which no claim has been asserted when all other amounts have been paid and no letters of credit are outstanding) outstanding, or the DIP Lenders have any Revolving Commitment (as defined in the DIP Credit Agreement) under the DIP Credit Agreement, the Pre-Petition Agent and Pre-Petition Secured Parties shall (i) take no action to foreclose upon or recover in connection with the liens granted thereto pursuant to the Existing Agreements or this Order, or otherwise exercise remedies against any Collateral (including, without limitation, seeking relief from the automatic stay to take such action), except to the extent authorized by an order of this Court; (ii) be deemed to have consented to any release of Collateral

authorized under the DIP Documents; and (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in the Collateral unless (solely as to this clause (iii)) the DIP Lenders file financing statements or other documents to perfect the liens granted pursuant to this Order, or as may be required by applicable state law to continue the perfection of valid and unavoidable liens or security interests as of the Filing Date.

(b) The automatic stay provisions of section 362 of the Bankruptcy Code are vacated and modified to the extent necessary to permit the Agent and the DIP Lenders to exercise, (i) immediately upon the occurrence of an Event of Default, all rights and remedies under the DIP Documents other than those rights and remedies against the Collateral as provided in clause (ii) below and (ii) upon the occurrence and during the continuance of an Event of Default and the giving of five business days prior written notice, all rights and remedies against the Collateral provided for in the DIP Documents (including, without limitation, the right to setoff monies of the Debtors in accounts maintained with the Agent or any DIP Lender). In any hearing regarding any exercise of rights or remedies, the only issue that may be raised by any party in opposition thereto shall be whether, in fact, an Event of Default has occurred and is continuing, and the Debtors and the Pre-Petition Secured Parties hereby waive their right to seek relief, including, without limitation, under section 105 of the Bankruptcy Code, to the extent such relief would in any way impair or restrict the rights and remedies of the Agent or the DIP Lenders set forth in this Order or the DIP Documents. In no event shall

the Agent, the DIP Lenders, the Pre-Petition Agent or the Pre-Petition Secured Lenders be subject to the equitable doctrine of “marshaling” or any similar doctrine with respect to the Collateral.

9. *Limitation on Charging Expenses Against Collateral.* Except to the extent of the Carve Out, no expenses of administration of the Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Collateral pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the Agent or the Pre-Petition Agent, as the case may be, and no such consent shall be implied from any other action, inaction, or acquiescence by the Agent, the DIP Lenders, the Pre-Petition Agent or the Pre-Petition Secured Lenders.

10. *The Cash Collateral.* To the extent any funds were on deposit with any Pre-Petition Secured Party as of the Petition Date, including, without limitation, all funds deposited in, or credited to, an account of any Debtor with any Pre-Petition Secured Party immediately prior to the filing of the Debtors’ bankruptcy petitions (the “**Petition Time**”) (regardless of whether, as of the Petition Time, such funds had been collected or made available for withdrawal by any such Debtor), such funds (the “**Deposited Funds**”) are subject to rights of setoff. By virtue of such setoff rights, the Deposited Funds are subject to a lien in favor of such Pre-Petition Secured Parties pursuant to sections 506(a) and 553 of the Bankruptcy Code. The Pre-Petition Secured Lenders are obligated, to the extent provided in the Existing Agreements, to share the benefit of such liens and setoff rights with the other Pre-Petition Secured Lenders party to such Existing Agreements. Any

proceeds of the Pre-Petition Collateral (including the Deposited Funds or any other funds on deposit at the Pre-Petition Secured Parties or at any other institution as of the Petition Date) are cash collateral of the Pre-Petition Secured Parties within the meaning of section 363(a) of the Bankruptcy Code. The Deposited Funds and all proceeds of both Pre-Petition Collateral and Collateral are referred to herein as “**Cash Collateral.**”

11. *Use of Cash Collateral.* The Debtors are hereby authorized to use all Cash Collateral of the Pre-Petition Secured Lenders, and Pre-Petition Secured Lenders are directed promptly to turn over to the Debtors all Cash Collateral received or held by them, *provided* that the Pre-Petition Secured Lenders are granted adequate protection as hereinafter set forth. The Debtors’ right to use Cash Collateral shall terminate automatically on the Termination Date (as defined in the DIP Credit Agreement). In addition, if the Borrower voluntarily terminates the Revolving Commitment prior to the Revolving Maturity Date (as each such term is defined in the DIP Credit Agreement), the Debtors shall, for the benefit of the Pre-Petition Secured Parties, continue to comply with the requirements of Articles 5 and 6 of the DIP Credit Agreement and, upon any failure by the Debtors to observe any such requirement or upon the occurrence of any event that would have constituted an Event of Default under the DIP Credit Agreement prior to the termination of the Commitment, the Pre-Petition Agent on behalf of the Pre-Petition Secured Parties shall have the immediate right unilaterally to terminate the Debtors’ right to use Cash Collateral.

12. *Adequate Protection.* The Pre-Petition Secured Parties are entitled, pursuant to sections 361, 363(e) and 364(d)(1) of the Bankruptcy Code, to adequate

protection of their interest in the Pre-Petition Collateral, including the Cash Collateral, for and equal in amount to the aggregate diminution in value of the Pre-Petition Secured Parties' Pre-Petition Collateral, including, without limitation, any such diminution resulting from the sale, lease or use by the Debtors (or other decline in value) of Cash Collateral and any other Pre-Petition Collateral, the priming of the Pre-Petition Agent's security interests and liens in the Pre-Petition Collateral by the Agent and the DIP Lenders pursuant to the DIP Documents and this Order, and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code. As adequate protection, the Pre-Petition Agent and the Pre-Petition Secured Parties are hereby granted the following (collectively, the "**Adequate Protection Obligations**"):

(a) Adequate Protection Liens. The Pre-Petition Agent (for itself and for the benefit of the Pre-Petition Secured Parties) is hereby granted (effective and perfected upon the date of this Order and without the necessity of the execution by the Debtors of mortgages, security agreements, pledge agreements, financing statements or other agreements) a replacement security interest in and lien upon all the Collateral, subject and subordinate only to (i) the security interests and liens granted to the Agent for the benefit of the DIP Lenders in this Order and pursuant to the DIP Documents and any liens on the Collateral to which such liens so granted to the Agent are junior and (ii) the Carve Out (the "**Adequate Protection Liens**");

(b) Section 507(b) Claim. The Pre-Petition Agent and the Pre-Petition Secured Parties are hereby granted, subject to the payment of the Carve Out, a superpriority claim as provided for in section 507(b) of the Bankruptcy Code,

immediately junior to the claims under section 364(c)(1) of the Bankruptcy Code held by the Agent and the DIP Lenders; *provided, however*, that the Pre-Petition Agent and the Pre-Petition Secured Parties shall not receive or retain any payments, property or other amounts in respect of the superpriority claims under section 507(b) of the Bankruptcy Code granted hereunder or under the Existing Agreements unless and until the DIP Obligations have indefeasibly been paid in cash in full;

(c) Interest, Fees and Expenses. (i) The Pre-Petition Agent shall receive from the Debtors (x) immediate cash payment in an amount equal to all accrued and unpaid interest on the Pre-Petition Debt (other than Supplemental Interest) and letter of credit fees at the non-default rates provided for in the Existing Agreements, and all other accrued and unpaid fees and disbursements (including, but not limited to, fees owed to the Pre-Petition Agent) owing to the Pre-Petition Agent under the Existing Agreements and incurred prior to the Petition Date, (y) current cash payments of all fees and expenses payable to the Pre-Petition Agent under the Existing Agreements, including, but not limited to, the reasonable fees and disbursements of counsel, financial and other consultants for the Pre-Petition Agent and (z) on the first business day of each month, an amount equal to all accrued but unpaid interest on the Pre-Petition Debt (other than Supplemental Interest), and letter of credit and other fees at the non-default contract rate applicable on the Petition Date (including LIBOR pricing options) under the Existing Agreements, *provided* that (A) the Pre-Petition Secured Lenders reserve their rights to assert claims for the payment of post-petition interest calculated at any applicable rate of interest (including, without limitation, default rates), or on any other basis, provided for

in the Existing Agreements and (B) other parties reserve their right to assert that the adequate protection payments made pursuant to this Order should be applied to the principal of, and not to post-petition interest on, the Pre-Petition Debt;

(ii) If any Debtor is obligated to pay to any Pre-Petition Secured Party any amount upon the termination of any Hedging Agreement (a “**Termination Amount**”), such Pre-Petition Secured Party shall receive from the relevant Debtor, on the first business day of each month, an amount equal to all accrued but unpaid interest on such Termination Amount at the rate such Pre-Petition Secured Party is entitled to pursuant to the terms of such Hedging Agreement.

(d) Monitoring of Collateral. Subject to the provisions of Section 9.12 of the Pre-Petition Credit Agreement, the Pre-Petition Secured Parties shall be permitted to retain expert consultants and financial advisors at the expense of the Debtors, which consultants and advisors shall be given reasonable access for purposes of monitoring the business of the Debtors and the value of the Collateral;

(e) Information. The Debtors shall provide the Pre-Petition Agent with any written financial information or periodic reporting that is provided to, or required to be provided to, the Agent or the DIP Lenders; and

(f) Payment from Proceeds of Collateral. The Debtors are authorized and directed to pay to the Pre-Petition Agent, for the benefit of the Pre-Petition Secured Parties, 100% of the Net Proceeds (as defined in the DIP Credit Agreement), in each case

limited to the Net Proceeds that are not required to be paid in respect of the DIP Obligations.

(g) Termination of Hedging Agreements. JPMC shall be permitted to exercise its rights of termination with respect to any Hedging Agreement entered into between JPMC and any Debtor and its right of setoff (subject to the sharing provisions of the Pre-Petition Credit Agreement) pursuant to the Existing Agreements, to setoff any obligations owed by JPMC to such Debtor upon such termination in accordance with the provisions thereof against an equal amount of Pre-Petition Obligations owed by such Debtor to JPMC pursuant to the Existing Agreements and as a result of such setoff the Pre-Petition Obligations then outstanding would be reduced by such amount on a dollar for dollar basis, and the automatic stay is hereby modified and vacated to the extent necessary to permit such setoff.

13. *Reservation of Rights of Pre-Petition Secured Lenders.* Under the circumstances and given that the above described adequate protection is consistent with the Bankruptcy Code, including section 506(b) thereof, the Court finds that the adequate protection provided herein is reasonable and sufficient to protect the interests of the Pre-Petition Secured Parties. However, the Pre-Petition Agent and the Pre-Petition Secured Parties may request further or different adequate protection, and the Debtors or any other party may contest any such request. Except as expressly provided herein, nothing contained in this Order (including, without limitation, the authorization of the use of any Cash Collateral) shall impair or modify any rights, claims or defenses available in law or equity to the Pre-Petition Agent, any Pre-Petition Secured Party, the Agent or any DIP

Lender including, without limitation, rights of a party to a swap agreement, securities contract, commodity contract, forward contract or repurchase agreement with a Debtor to assert rights of setoff or other rights with respect thereto as permitted by law (or the right of a Debtor to contest such assertion).

14. *Pre-Petition Secured Parties Obligations.* In consideration of the benefits afforded to them pursuant to this Order, with respect to any Pre-Petition Letters of Credit, notwithstanding any provision to the contrary in the Pre-Petition Credit Agreement:

(iii) any claims (as defined in the Bankruptcy Code) that the Pre-Petition Issuing Bank or any Pre-Petition Revolving Lender may have against any Debtor in respect of any New Pre-Petition Letter of Credit (including for the reimbursement of any payment made on such New Pre-Petition Letter of Credit) shall constitute Pre-Petition Obligations, entitled to treatment as pre-petition claims, *pari passu* with the Loans outstanding under the Pre-Petition Credit Agreement, and as such shall be entitled to the adequate protection as provided herein;

(iv) The Borrower shall retire or replace all New Pre-Petition Letters of Credit on or prior to the effective date of any plan of reorganization.

15. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) Subject to the provisions of paragraph 8(a) above, the Agent, the DIP Lenders, the Pre-Petition Agent and the Pre-Petition Secured Parties are hereby authorized, but not required, to file or record financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over, or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Any

such provision shall have no force and effect with respect to the transactions granting post-petition liens, in such leasehold interest or the proceeds of any assignment and/or sale thereof by any Debtor, in favor of the DIP Lenders in accordance with the terms of the DIP Credit Agreement or this Order.

16. *Preservation of Rights Granted Under the Order.*

(a) No claim or lien having a priority superior to or *pari passu* with those granted by this Order to the Agent and the DIP Lenders or to the Pre-Petition Agent and the Pre-Petition Secured Parties, respectively, shall be granted or allowed while any portion of the Financing (or any refinancing thereof) or the Revolving Commitments or any letters of credit thereunder or the DIP Obligations or the Adequate Protection Obligations remain outstanding, and the DIP Liens and the Adequate Protection Liens shall not be (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code or (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise.
