### Introduction

### BANKRUPTCY RULE 1007(b)(7)

As an approved personal financial management course provider, you are now allowed to file the certificate of completion of the post-petition personal financial management course for debtors directly with the court. Bankruptcy Rule 1007(b)(7) has been amended to streamline this process and is scheduled to go into effect on December 1, 2013.

- As an approved personal financial management course provider, you will need to register as a CM/ECF limited filer in each court where you will be filing personal financial management course certificates on behalf of debtors.
- Each court in which you will be filing will provide you with a limited filer agreement.
- Training material for filing these certificates are included in this document.
- To register for a login and password with the United States Bankruptcy Court for the Northern District of Alabama, go to <u>www.alnb.uscourts.gov</u> > CM/ECF Information > Registration and Training > ECF User Registration.

Deadlines associated with filing certificates of debtors' completion of this course are critically important to the debtor and your responsibilities as an approved course provider.

- In a chapter 7 or 13 case, if the statement of the debtor's completion of the course is not filed within 45 days after the first date set for the §341 meeting, amended Fed. R. Bankr. P. 5009(b) will require the clerk to notify the debtor that the case will be closed without entry of a discharge unless the statement is filed within the applicable deadline under Fed. R. Bankr. P. 1007(c).
- In a chapter 11 or 13 case, this certificate of completion must be filed no later than the last payment made by the debtor as required by the plan.

The risk to the debtor, if the provider fails to timely file the certificate, is that the debtor's case could be closed without a discharge. See Fed. R. Bankr. P. 4004(c)(1)(H).

Some courts may revoke a provider's limited filer privileges if the provider does not file a certificate in a timely manner.

- The failure to do so could result in the closing of the debtor's case without a discharge.
- In the event your limited filer privileges are revoked by the court, the court will notify the Bankruptcy Administrator of the revocation.

If you need to review what has been filed in a case, you will need to register with the PACER Service Center to obtain case information at <u>http://www.pacer.gov/register.html</u>

## Steps for Filing the Certificate of Completion of a Personal Financial Management Course

- Access to a debtor's case is through the court's Case Management Electronic Case Filing (CM/ECF) system.
- CM/ECF is a Web based software program used by all the bankruptcy courts in the country.
- CM/ECF can be accessed successfully using Internet Explorer 8.0 and 9.0 and Mozilla Firefox.
- CM/ECF has not been tested with Internet Explorer 10 and users may encounter issues when using Internet Explorer 10.
- Internet Explorer is the recommended Web browser.

The following information provides the steps to file a personal financial management course certificate electronically to the debtor's case.

### STEP 1 Internet Access

To access the court's Web site, open Internet Explorer and enter the URL for the court in the browser's address field.

### STEP 1A

Access to CM/ECF will be on the court's home page.

#### STEP 2 Logins and Passwords

Internet users, including personal financial management course providers, attorneys, and trustees enter their CM/ECF login and password on this screen. (See Figure 2)

The logins and passwords are issued by the court. These logins and passwords allow electronic filing of documents.

The user's login and password constitute the electronic equivalent of their signature. Please see the Administrative Procedures for Filing, Signing, Retaining and Verification of Pleadings and Papers in the Case Management/Electronic Case Filing (CM/ECF) System on our website at www.alnb.uscourts.gov > CM/ECF Info > CM/ECF Administrative Procedures.

Each user is personally responsible for all activity with their logins.
